LED Lighting Effects Kit

This Kit Includes:

- 3 Modulite boards
- 2 Extension Cables
- Battery Box

www.lifelites.com

Bring your models to life with products from

www.lifelites.com

Instructions:

Insert a 1x1 round plate (not included) into each hole of each Modulite board as shown in the photo above. Connect battery box to any Modulite power connector and daisy-chain remaining Modulites together with the supplied extension cables.

Insert two AAA batteries (not included) into the battery box and turn on. You're ready to install the Modulites into your model!
